

SECTION STUDENT CONGRESS' 19

IEEE HYDERABAD SECTION

**'REDEFINING TECHNOLOGY IN THE
NEW MILLENNIUM'**

10th August, 2019

The **Institute of Electronics and Electronics Engineers [IEEE]** is world's largest professional association for the advancement of technology. Through its global membership, IEEE is a leading authority on areas ranging from aerospace systems, computers and telecommunications to biomedical engineering, electric power and consumer electronics. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities. There are more than **422,000 IEEE members** in over **160 countries** around the world. IEEE members are engineers, scientists, and allied professionals whose technical interests are rooted in electrical and computer sciences, engineering, and related disciplines. The IEEE serves as a major publisher of scientific journals and organizer of conferences, workshops, and symposia (many of which have associated published proceedings). It is also a leading standards development organization for the development of industrial standards. The IEEE includes **39 technical Societies**, organized around specialized technical fields, with more than 300 local organizations that hold regular meetings. The IEEE Standards Association oversees the standardization activities of the IEEE. IEEE offers educational opportunities such as IEEE e-Learning Library, the Education Partners Program, Standards in Education and Continuing Education Units (CEUs). The IEEE provides learning opportunities within the engineering sciences, research, and technology.

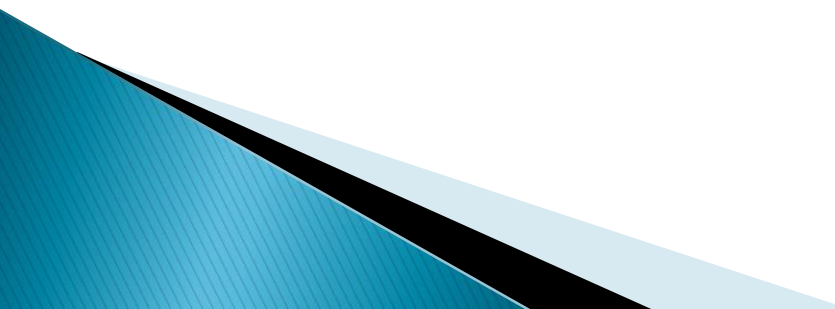

The IEEE Hyderabad Section is one of the most active sections of IEEE in India. IEEE was formally introduced in Hyderabad, in June 1981, when a group of engineers in Hyderabad decided to form an IEEE sub-section here. This sub-section was rapidly elevated to a full section, in 1984 (the year of IEEE Centenary celebrations). All IEEE members residing in the states of Telangana and Andhra Pradesh are the members of IEEE Hyderabad Section.

IEEE Hyderabad Section is one of the most active sections under Region 10 with more than 4000+ active members. The Section has progressed exponentially and involved itself in various regional and global technical activities. It is the proud recipient of Outstanding Largest Section Award in 2019, 2016 and 2012 at R10, CS REM Scholarships, R10 Outstanding Volunteer Award (14 volunteers since 1996), IAS most Vibrant Chapter: IAS/PES/PELS Joint Chapter, Darrel Chong Activity Awarded to IEEE Student Branches, Haraden Pratt Award from IEEE.

SECTION STUDENT CONGRESS [SSC]

The Congress is an annual flagship event of IEEE Hyderabad Section, which is an amalgamation of technical talks, sessions on soft skills, and career opportunities, wherein student members of various Universities/ Colleges under the IEEE Hyderabad Section meet to learn, discuss and network. Last year SSC was organized for 2 days with more than 300 delegates from all the Student Branches and 50+ volunteers.

The Student Congress aims to congregate student members of the IEEE Student Activities Committee to enable them to discuss the growth and development of IEEE student activities not only members sharing their experiences with student members. Section Student Congress is being held on 10th August 2019 with the theme of “***Redefining Technology in the New Millennium***”. This year we are going to keep the delegates engrossed in a plethora of professional talks, competitions, ice breaking activities that brings out enthusiast in delegates attending the congress With some of the sharpest minds and illustrious dignitaries of the nation converging under one roof, and exchanging their variable insights, one can carve out their own niche and work in synergy.

SPONSORSHIP COLLABORATION

Events organized by IEEE captivate great minds from far and near. The IEEE events stand out in its professional ethics. The IEEE Hyderabad Section is one of the most dynamic sections of IEEE in India. The global committee leads are attending the event. This year we are planning an incomparable event with more than 800 delegates with the help of 50+ volunteers and 100+ campus ambassadors from various Student Branches. Invitees are near and far from different states.

VENUE

SSC'19 for this season is hosted at Jawaharlal Nehru Technological University, Hyderabad [JNTUH]. It is one of the best Universities for aspiring UG & PG students. Academically challenging spirit, explorative attitude, discipline and success are the few benchmarks of successful career in this university..The JN auditorium of JNTUH is excellent place to hold the delegates for the Congress. The auditorium can accommodate 1200+ delegates at a single place.
